

North Ravine Project Presentation

Fellow Neighbors,

The HOA Board of Directors has created a thorough document detailing several key pieces of information about the North Ravine Project. This document is entitled the “North Ravine Project Presentation”. The North Ravine Project is extremely important to our community and we are strongly encouraging all residents to review this document in full.

You can find this document on TownSq, NPCHOA.com, and the official Northpointe Crossing HOA Facebook page.

Additionally, we are in the final stages of establishing our next open board meeting with the North Ravine Project being a major agenda item. Please keep an eye out for future announcements related to our next HOA Board meeting. We will be open to taking follow-up questions at the next HOA board meeting.

Thank you,
Northpointe Crossing Homeowners Association Board
